Cindy Page, Vice President, Clinical and Support Services, Beth Israel Deaconess Hospital-Milton was recognized at the South Shore Workforce Investment Board (SSWIB) meeting on Thursday, April 16, 2014 at the Holiday Inn, Rockland. Cindy was presented with a Distinguished Service award in recognition of her ongoing commitment, dedication and support on behalf of all the working families and youth that comprise the South Shore Workforce Investment Board Region. The award was presented by Don Uvanitte, Chair of

the SSWIB, Joyce Livramento-Young, SSWIB Executive Director and David Manning, Director, System Management Oversight, Division of Career Services.

The South Shore Workforce Investment Board in conjunction with the South Shore Career Centers, works with major corporations, small businesses, educational institutions, community based organizations and labor organizations throughout 22 cities and towns on the South Shore to provide workforce development leadership throughout the region. The SSWIB as well as Rep. Mariano work to ensure the region's employment needs are met by a vibrant, educated, trained, skilled and resourceful workforce.
